Every year Cerebration the colloquium is conducted by AIIMS Mangalagiri for 1st year MBBS students. For two years the event has been a grand success and brought the student in contact with their peers from around the country and students shared the same platform for seminar presentations and battled out to be the best amongst themselves. This competition has inculcated the ideals for research in medical education, widened the frontiers for knowledge, raised hopes for humanity

Format for the event: Due to restrictions brought about by COVID-19 this year the event will be hosted online wherein all colleges can participate via their college Audio-visual Aids. Each participating college will be given login password for the web-based platform where in the event is preferably telecasted to all the students in a lecture gallery.

Team: it is a team-based event where a team comprises of 3 students selected to represent the college for attempting the MCQ test & presenting the seminars if selected. Only one team per college is allowed. Students should be from MBBS 1st year of current academic year 2020-21 Batch. Registration fees is Rs500/- per college.

A time-to-time update on the preliminary and seminar rounds (instructions and results) will be uploaded on our website: www.aiimsmangalagiri.edu.in and the same will be communicated through email to the registered colleges and via WhatsApp group specifically created for the event participants.
