P-3 FORM

(to be attached with P-2 form for Proprietary items)

AIIMS Mangalagiri

PROPRIETARY ARTICLE CERTIFICATE

It is certified that the item Thompson Retractors with quick frame and Cam-type joints required in the P-2 form should be purchased from Thompson Surgical Instruments, Inc., at 10170 E. Cherry Bend Road, Traverse City, Michigan, 49684 - USA.

To the best of my knowledge Thompson Surgical Instruments, Inc., at 10170 E. Cherry Bend Road, Traverse City, Michigan, 49684 - USA are the sole manufacturer/ agents of the Thompson Retractors with quick frame and Cam-type joints.

Similar items manufactured by other firm(s) shall not be suitable for our purpose and are unique for the following reasons:

1. This manufacturers are pioneers in the abdominal retractor system
2. The retractor system provides a provision for micro adjustments after placing a retractor as and when required and avoids removing the blades
3. Cam joints help in placing many cross bars/ others bars that snugly hold the blades in position and helps in surgery
4. Clip on mechanism hold the blades in position without movements
5. The retractors have a inbuilt angling system to provide accurate retraction with precision
6. This retractors have a very long life and are highly durable
